

Tapestry Public Charter School is seeking enthusiastic, energetic, and flexible individuals who can serve as **Substitute Teachers** on short notice.

Tapestry Public Charter School opened in August 2014 for grades 6 -8, adding one grade in each subsequent year, to serve grades 6 – 12 by the end of its first charter term.

The mission of Tapestry is to offer an inclusive, individualized learning environment that is academically engaging, both for neurotypical students and those on the autism spectrum, and to create a positive school culture that empowers all students to take possession of their innate talents and become creative builders of their own future.

Utilizing small, multi-age classrooms with flexible groupings and authentic hands-on learning experiences, Tapestry will provide a student-driven, experiential, sensory-based learning environment. All students will be respected, loved, and valued as the most important members of the school community. More about Tapestry may be found at tapestrycharter.org.
