

Mission

The mission of Tapestry Public Charter School is to offer an inclusive, individualized learning environment that is academically engaging, both for neurotypical students and those on the autism spectrum, and to create a positive school culture that empowers all students to take possession of their innate talents and become creative builders of their own futures.

Vision

Tapestry provides a rigorous and enriching education for a neurodiverse student body in grades 6-12, thereby creating an inclusive, innovative, and replicable academic model.

Internship Program

Individualized Education, Empowered Lives.

Collaborating with companies that support an inclusive environment, helping high school students gain workplace knowledge through hands-on experience.

My student intern has been great. She has been engaged and eager with everything I have asked of her and she is learning very fast.
