I, \_\_\_\_\_ (Parent or Guardian Name), grant permission for my child, \_\_\_\_\_ (Student's Name) to walk/bike to and from Tapestry Public Charter School. I understand that my child must arrive at school on time and leave school property at dismissal unless my child is registered in an after-school program or activity. I understand that in granting permission, I am authorizing Tapestry Public Charter School to release my child from school at dismissal without adult supervision. I understand that Tapestry Public Charter School cannot and does not guarantee my child's safety or whereabouts before arriving at school or after leaving the school grounds. I agree to indemnify and hold harmless Tapestry Public Charter School, its agents, and employees, from any and all liability or claim arising from or in any way connected to the release of my child under this authorization.

By signing this form, I waive any and all liability, cause of action, or claims for damages that may arise at any time as a result of Tapestry Public Charter School and its employees honoring this waiver allowing my child to leave the school grounds. I understand that this authorization will remain in force unless and until I notify Tapestry Public Charter School, in writing, that I am revoking permission for my child to walk/bike to and/or from school.
